

# Business Reference Letter

July 16<sup>th</sup>, 2020

To Whom it May Concern:

We have been working with Language Centre Bell Education Ltd since March 2020. Despite of the short period of time we have had the opportunity to see very good results of our Business English language course. The tutors are always well prepared, successfully adapted to our needs and are showing personal attitude.

Choosing Bell Education for our business language course was an excellent decision and would be pleased to recommend them as a reliable company.

While there may be several choices in the market for Business language training, I would strongly recommend considering Bell Education if you are interested in a long term approach and professional service.

Sincerely,

Ivan Serafimov,
